

Coordinator's Report February 2, 2017

Membership/Recruitment:

Alaina Clements submitted her resignation from the SRC effective December 19, 2016. Be It Remembered certificates for Martha Frank, Sherrie Brunelle, Leslie Walker Mitchell, Michelle Paya, Jessalyn Gustin and Max Barrows have been received from the Governor's Office. There are currently 3 outstanding applications. There are 3 vacant #5 – Representatives of business, industry and labor positions. Recruitment for these positions is on-going. I am reaching out to the 2016 Spirit of the ADA Award winners, as well as, an employer referred by Adam Leonard. If anyone has a suggestion for a business, industry and labor representative please let me know. Thank you.

Website:

Our website is going through a major transition. We will be moving to the State's platform. This is a positive change. The website will be user friendly and look more up to date. All SRC information will be available on the site. Our current website host expires on January 31, 2017. The intent is to keep our URL. I will keep you posted when the change is official. Very exciting times!

As part of the transition to the State platform, I will be collecting photo waivers from all SRC members. This will allow the SRC website to post pictures of the SRC.

New Member Packet:

I am working on putting together the new member packet. I have requested short biographies from the SRC members to be included in the packet. To date I have received 3.

As part of welcoming new members to the SRC, it was suggested that a short video be developed by the SRC. I have made some initial inquiries around who may be able to make the video for the SRC. When I receive more concrete feedback, I will let you know.

Respectfully Submitted by Rebekah M. Stephens, Coordinator, VT SRC on 2/2/2017
