Resignations – Leslie Walker Mitchell

Please see attached a ***Membership Status Listing*** for complete membership details.

### **Recruitment:**

Hugh Bradshaw, Employment Services Manager in VocRehab, has been very helpful in coordinating with the Business Account Managers (BAMs) a pool of names of individuals that have been previous recipients of Spirit of the ADA awards as well as others whom they believe may be interested in joining the SRC. I have already received a name from a BAM, Cindy Del Gatto, and have reached out to this prospective applicant. I am hopeful that we will be able to recruit an interested party. Currently, we are short one individual from Section vi, which requires four representatives from business, industry, and labor (see the attached **Membership Status Listing** for more details).

### **Website:**

The website has been reorganized with an intent to make it easier to locate items that may be of interest to you – i.e. current membership, agendas, minutes, reports, etc. Please let me know if there are any changes that you would like to see to improve its usefulness while keeping in mind that in 6 months to 1 year, the website will be transitioned over to the State.
