3. Updates – Federal & State: ABLE Act Task Force Meeting		
15 minutes	Sam Liss	
<b>Discussion</b>	MWPDP (Medicaid for Working Persons with Disabilities) - CMS (Centers for Medicaid Services) submitted their response and there have been some additional questions. States want to be assured that temporary gaps in work will not cause an individual to lose benefit eligibility. Once the responses are finished there will be a 6-month rule making period which includes a 1-month public comment period. National Federation of the Blind Newsline did outreach to VA Hospital in White River Junction because several people signed up for it. VABVI (Vermont Association for the Blind and Visually Impaired) will be able to help sign people up for this service. At the ABLE (Achieving a Better Life Experience) Act Task Force meeting, it was voted that Vermont would work with Ohio on setting up ABLE accounts. So far, only four states have begun the rollout of the ABLE accounts (OH, TN, FL, NE). Vermont is hoping to have ABLE Act accounts available directly in Vermont by February 2017. There are two basic types of ABLE accounts: Long-term savings accounts and shorter-term accounts for more immediate needs. The money in ABLE accounts will be tax free and can be used for practically anything related to a person's disability. The Global Commitment was extended to 5 years. The All-Payor medical model was approved by the Green Mountain Care Board and signed by the Governor. Mathematica and WID (World Institute on Disability) did not get the grant for the Career Access Project. There are still on-going efforts to get funding for a Career Access "like" project, much like PROMISE.	
<b>Conclusions</b>	Thank you, Sam!

<b>4. Updates – VR Budget, WIOA, Career Access Project &amp; How is Pre-ETS Rollout going in VT?</b>		
30 minutes	Diane Dalmasse	
<b>Discussion</b>	The VR budget is still a very hot topic. We are o.k. for 2017 and have come up with a significantly reduced 2018 budget. The Legislature is sure to take a close look at the 2018 budget and provide some input on the proposed budget reductions. The Workforce Innovation and Opportunity Act (WIOA) regulations are now final. VR has a “to do” list on meeting the requirements of the new regulations. Diane handed out the list. Pre-Employment Transition Services (Pre-ETS), Memorandums of Understanding with partners, Policy & Procedure Manual changes, Supported Employment adjustments and the elimination of the Homemaker IPE (Individualized Plan for Employment) make up the list. There is a lot in process but VR is diligently addressing the changes. VR is into its second year of Pre-ETS. Vermont VR received the Linking Learning to Careers grant. 6 full-time VR counselors will be reassigned to this grant, as career consultants. VR is hoping to begin some training for this in March 2017.	
<b>Conclusions</b>	Thank you, Diane!	
<b>Action Items</b>	<b>Person Responsible</b>	<b>Deadline</b>

<b>5. Discussion – AOE 2017 Goals and Standing Agenda Items</b>		
40 minutes	Committee members	
<b>Discussion</b>	Take Career Access Project update off agenda as a standing agenda item. Sam Liss will keep up to date on the topic and report on it as needed under his Federal and State Updates. The Committee members discussed the Youth Summit, which usually takes place during Disability Awareness Day. Vermont Family Network (VFM) will be doing a conference that focuses on youth on April 6, 2017. Martha Frank will oversee the transition piece of this conference. A lot of the 2017 priorities identified by the AOE Committee during the 9 <sup>th</sup> Annual SRC Retreat could be addressed at the Youth Summit or the VFN conference. Educating the new Administration – efforts can begin right after the election. Suggestion was made to partner with the SILC (Statewide Independent Living Council) and the GCEPD (Governor’s Committee on Employment of People with Disabilities) to reach out the new Administration as a group. Also, invite the new Governor to the Disability Summit in June 2017. One of AOE’s 2017 goals was to have more of an SRC presence at Employer Recognition events. VR’s Business Account Managers (BAMs) host Employer Recognition events around Vermont each year. VR will make sure that SRC members are included on the invitee list for these events. Michelle Paya wanted to know if the SRC could do a presentation at a Chamber of Commerce meeting and/or Vermont Businesses for Social Responsibility (VBSR) to get the word out around Pre-ETS. Diane Dalmasse suggested starting small, maybe one meeting, and see how it goes. Committee members agreed.	
<b>Conclusions</b>	Sam Liss will reach out to the SILC and GCEPD around reaching out to the new Administration. Rebekah Stephens will reach out to Hugh Bradshaw regarding including SRC members on Employer Recognition events invitee list and securing a list of the events around the State for 2017.

<b>6. Progress Update – Disability Summit</b>		
15 minutes	Jessalyn Gustin	
<b>Discussion</b>	Jessalyn spoke with Ed Paquin (President of Vermont Coalition for Disability Rights (VCDR) and Director of Disability Rights Vermont). He sounded more than happy to work with the SRC on the Disability Summit. Ed requested a letter from the SRC explaining the Disability Summit and its goal of a “unified vision around advocacy”. Diane asked Sam Liss if he would be willing to draft the letter? Sam asked if VR will still be providing the facilitator for the Summit? Diane is thinking either Sharon Behar or GC Consulting. However, funding for the facilitator may now be an issue for VR. Diane suggested that the sub-committee may want to consider charging a registration fee for the Summit to cover the costs. The AOE members suggested some possible venues for the Summit: St. Michael’s College, Vermont Technical College (Randolph) or The Capitol Plaza (if the new Governor is invited to attend). There will be approximately 50 invitees. Alaina Clements expressed an interest in possibly sitting on the sub-committee. The next sub-committee meeting will be scheduled for early 2017.	
<b>Conclusions</b>	Sam Liss will draft letter. Diane Dalmasse will check into a facilitator for the Retreat. Jessalyn Gustin will schedule the next sub-committee meeting.
