

DRAFT TRANSITION COUNSELOR AND TRANSITION TEAM MEASURES

Transition Team Measures

These measures are intended to assess student benchmarks of progress through PAS or STW services on a VR caseload. These are all annual measures.

Measure One: Students served will participate in one or more Career Awareness & Exploration WBL activities prior to high school exit including:

- An informational interview with an employer
- A company tour
- A mock interview with an employer
- Job Shadow

Measure Two: Students served will complete one or more Career Preparation WBL activities prior to high school exit including:

- A progressive employment training placement
- Part time or summer competitive employment

Measure Three: Students served will participate in a dual college enrollment and/or career training program prior to high school exit.

Measure Four: Students engaged in Pre-ETS will apply for and receive VR services prior to graduation.

Measure Five: All students enrolled in STW VR services will have a IPE in place within 90 days of application and prior to high school exit.

MEASURE DEFINITIONS AND PROPOSED TARGETS

Transition Counselor/Transition Team Annual Performance Indicators for PAS Cases and VR STW Cases

1. Fifty (50) PAS or STW VR students per TC caseload will complete one or more Career Awareness & Exploration WBL activities.

2. Thirty (30) PAS/STW VR students per TC caseload will complete one or more Career Preparation WBL experiences such as a progressive employment training placement or part-time competitive job.
3. Ten (10) PAS/STW VR students per TC caseload will participate in a dual enrollment, early college program, or training program (i.e., Community College of VT, VT Technical College), or training programs (PCA, ServSafe, CDL, etc.).
4. Forty (40) students in a PAS case per TC caseload will be opened into STW VR case.
5. Ninety percent (90%) of STW VR cases per TC caseload will be in plan status.
 - Definition: For students opened in a STW VR case what percentage are in plan status prior to high school exit.

TC Performance Indicators for Open Cases (AWARE Dashboard)

All the below would be on **State Fiscal Year Schedule**.

1. Number of open PAS cases total.
2. Number of new PAS cases opened during year.
3. Number of open STW VR cases.
4. Number of new STW VR cases opened during the year.
5. Number of open PAS/STW VR cases referred to the YES.
6. Number of PAS/STW VR cases completing one or more Career Awareness & Exploration WBL activities.
7. Number of PAS/STW VR cases who participated in one or more Career Preparation WBL experiences (progressive employment training placement or part-time competitive job).
8. Number of PAS/STW VR cases dual-enrolled in post-secondary education or training.
