<b>3. Review and Discussion – Workforce Innovation and Opportunity Act: Effect on VR Policy &amp; Procedures Manual</b>		
-----	James Smith and Committee members	
<b>Discussion</b>	Currently the regulations are in comment status. The P&P Committee has the option to make recommendations to the full SRC which in turn would submit the comments for public hearing. The deadline for submitting comments is June 15, 2015. The P&P Committee members would like to make recommendations for the public comments hearing. James will be writing VR's recommendations. The Committee discussed the "Summary of Major Changes". These changes are already written into the law so comments on these changes wouldn't result in any change. The regulations are currently considered "proposed" so comments on the "proposed regulations" are appropriate. Title 1 Vocational Rehabilitation Regulation 361.17(h)(3) "clarifies that the SRC is only required to assist with the VR section of the state plan. Under the new regulations VR will be filing a "Unified/Combined" plan with the Department of Labor (DOL) and the Workforce Investment Board (WIB).	
<b>Conclusions</b>	James will forward a copy of his public comments draft to the P&P Committee for review. Committee members will review VR's public comments draft and then submit their recommendations to Rebekah Stephens. Rebekah will forward all Committee written recommendations to Kerry White (Chair) for consolidation into a written summary of recommendations for review by the full SRC. The full SRC will vote on the recommendations for approval for submission at the June 4, 2015 full SRC meeting.

<b>4. Discussion – “Consumer, Customer, Client” language in VR Policy &amp; Procedures Manual</b>		
-----	-----	
<b>Discussion</b>	James Smith requested a full SRC email vote to see which term is preferable. The Committee discussed the various options: “consumer, customer and client”. James explained that the terms consumer and customer are currently used throughout the manual and that the term “client” was removed from the manual in respect of “mental health clients”. The Workforce Innovation and Opportunity Act uses the term “eligible individual with a disability”. The Committee likes the term “eligible individual”. Non-eligible individuals would be referred to as “applicant”.	
<b>Conclusions</b>	The Committee agrees that the terms “eligible individual” and “applicant” are preferable over consumer, customer or client. An email vote will be conducted for approval of the terms by the full SRC.
